Re: to email and publish my child's work, photographs or videos via Lillio

To: Parent/Guardian,

Please read this page carefully as it includes information about safety and security issues associated with privacy and behavior.

In the interest of safety and security we require parent permission for the publishing of children's work, photographs or videos through a software program called HiMama (the "Program"). By signing this form you grant permission for us to photograph or video your child for the purposes of sharing this information with you through the Program. You will also receive updates and information about your child through the Program to the email you have provided herein.

Note that sometimes other children in the center may be featured in photos, videos or stories of your child. By giving your consent you agree not to share photos or video of any child, other than your own, outside the Program without permission.

To learn more about the Program, please visit <https://www.lillio.com/>. Please complete, sign, and return this form to the Centre. It is important that we have the contact information of both parents/guardians if applicable. We encourage you to contact us if you have any questions.

I hereby acknowledge that I wish to voluntarily participate in the Program:
